PSC APPROVES L.W. SEWER CORPORATION REQUEST

JEFFERSON CITY—The Missouri Public Service Commission has approved an application filed by L.W. Sewer Corporation, LLC which authorizes the sewer company to reorganize and convert to a nonprofit sewer company. As a result, L.W. Sewer Corporation will no longer be under Commission jurisdiction.

State law allows a sewer corporation to convert into a nonprofit sewer company. Based upon the information filed by L.W. Sewer Corporation and the PSC Staff, the Commission concluded that the sewer company complied with the law and the request should be granted.

L.W. Sewer Corporation serves approximately 190 sewer customers in Jefferson County near Hillsboro, Missouri.
